Ray Benson
and
Asleep at the Wheel
play the best...

DAION Guitars.

Tone.
Clarity.
Dependability.
Professional musicians such as Ray Benson of Asleep at the Wheel don't buy guitars for the name alone. The fact is, you can buy a Daion for a lot less money because you don't pay for an expensive reputation. What you do pay for is durability, quality, and a sound that suits any studio musician.

Daion Guitars...
the beginning of a classic.
